Old Business/Unfinished Business

New Business

- Club discussed the protective fence top material for the BB and SB fields at the HS. The current material is in disrepair. The School has proposed to pay for half the cost of replacing the material. The Club has the option of replacing the material with the same drain pipe-type material for \$600 with the Club paying \$300 to that cost. The other option is was to use the blue material that was used on the fence at the hitting facility which would look and work better. The blue material would cost \$1,430 with the Club paying \$715 of the cost. Considering that the blue material looked better, should last longer and fit better, a motion was made by Mr. Coalson and seconded by Ms. Terek to propose to the School that the blue material be used. The other members present consented.
- Mrs. Gay requested assistance with the concession stand for the MS games on Saturday 3/15/2014.
- One anonymous JV player gave a large donation to the Club. A thank you card will be given to Coach Marchman to give to that player.

Coaches Corner

- Coach Smoak reported that the HS SB team was confirmed to play in the Harlem Summer League and in the Greenbrier Slugfest. The regular season schedule is nearly complete.
- The HS SB Diamond Day will be September 6, 2014. Screven and Glasscock are scheduled to participate.

Other Business

- Mr. Gay reported that Shepeard Blood Center has agreed to donate \$300 to the Club if a goal of 40 blood donors could be reached at the Diamond Day event. The Club will consider the proposal.
- The Club discussed where to have the BB banquet –HS or MS? After asking Mr. Atkins and considering availability and space, the decision would be made at a later date.
